## 221 Combination Deboner

For cost efficient, low volume deboning needs, the **Prince 221 Combination Deboner** offers the highest quality of output and yield in the mechanical deboning industry. Utilizing off-the-shelf Prince replacement parts, the 221 Combination Deboner provides both simplicity of operation and low cost maintenance.

Crafted of stainless steel, the machine is designed to provide a wide range of deboned products. Specifically engineered for low volume, the 221 Deboner offers simple, clean mechanical deboning for the poultry and fish industries.

A unique meat pump encircles Prince's 221 Combination Deboner. The self-pumping feature pipes the deboned meat directly into boxes or bags for easy handling, packing, and shipping.

**Capacity Per Hour** - 700 - 2,000 lbs. / 300 - 900 kgs.

**Undermount Floor Space** - 38" x 63" / 97cm x 160cm

**Horsepower** - 20 (deboner) 7.5 (grinder)
